Thanks for the updates Ex. 6 - Personal Privacy I have attached the copy of the flight manifests as I have them today. Here are the updates I have so far....

1. <!--[if !supportLists]--><!--[endif]-->Biggest change today is that EPA Chief-of-Staff Ryan Jackson has informed us that he will join the mission after all. So, we will need to rebook his hotel rooms. We will put him in the Savoia and bump Samantha Dravis back down to the Best Western. Right now, I tentatively have Ryan Jackson traveling back with the Administrator through Milan, but I am waiting for confirmation.

2. <!--[if !supportLists]--><!--[endif]-->Attached agenda has updated EPA meeting attendance lists given that Ryan Jackson is back in the picture.
3. <!--[if !supportLists]--><!--[endif]-->Charge' and Consul General are most welcome at bilateral meeting with Minister Galletti, and other meetings on Saturday, June 10th, but will not be needed at bilateral meeting with EU on June 10 or Japan/Germany on June 11.
4. <!--[if !supportLists]--><!--[endif]-->Samantha Dravis and Sarah Greenwalt are coming two days early on personal time. They will check into the hotel in Rome on June 7th as it will already be paid for to guarantee early arrival.
5. <!--[if !supportLists]--><!--[endif]-->[Ex. 7(c)] will arrive in Rome with Administrator and then take train to Bologna, staying there until Administrator departs.

Hope you are able to enjoy some of the holiday in Rome on Friday. See you Monday morning.

Mark

Dear Mark,

Thank you for all of your clarifications.

1. <!--[if !supportLists]--><!--[endif]-->Please thank Jane for volunteering to be available. We would be delighted to have Jane go to a meeting on Wed. June 7. [Ex. 6 - Personal Privacy] will accompany her to Corepla, and I will be going with you to Bologna for the site visits.
2. <!--[if !supportLists]--><!--[endif]-->The business roundtable will be on the embassy compound, and it would only take the group five minutes to go from the Ambassador's Office to the roundtable. I suggest we keep the schedule as-is (the earlier schedule assumed an off-compound meeting) so that there is cushion for in case the CT brief lasts a bit longer, and the business roundtable people that may arrive early can chat with our teams.
3. <!--[if !supportLists]--><!--[endif]-->[Ex. 6 - Personal Privacy] (Econ Chief in Consulate Milan-added to this email) and I will be telephonically available to the Administrator

during the drive between Bologna and Milan, and Florence FSN [Ex. 6 - Personal Privacy] will be with the secure package/motorcade/Italian police from Bologna to Milan. CG Milan will meet the Administrator at the airport and see him off, whether it is on Sunday or Monday. [Ex. 6 - Personal Privacy] provided this helpful information: A rental for the security detail to travel Florence-Bologna-Milan-Florence is estimated to be about 600 euros plus 50 euros per each hour of overtime. If he leaves Monday, there could be more traffic holdups around Milan than a Sunday departure.

Cheers, [Ex. 6 - Personal Privacy]

Dear Embassy Colleagues,

Thank you for the flexibility and professionalism you have all displayed with our recent changes. I have attached the hotel manifests and revised schedule for your information. There have been some additional changes since our phone call which I would like to highlight below.

1. Advance Team ([Ex. 7(c)] Hupp, Kasman, [Ex. 7(c)] will all arrive on United #42 at 8:10am on Monday, June 5th.
2. As Chmielewski will be advancing White House event with Administrator on June 7, he will now arrive with the Administrator on June 8th.
3. Jane Nishida will arrive one day early on United #42 on June 7th. No program is expected for her that day as we will be in Bologna. She has timed her arrival to make sure she precedes the Administrator. Please change her Queen Limo pick-up to this new date. If it would be helpful to Embassy to have Jane meet with ENEA and/or COREPLA to mend fences, she is happy to do so on this day. She would also be willing to do a Retake Roma event if that would help Embassy with relations. Otherwise, Jane will telecommute (executive time) and be available to the Embassy as needed.
4. Administrator and rest of delegation will get a bite to eat before the Country Team Briefing so we will arrive at Embassy for Country Team Briefing.

5. Administrator has decided to do Roundtable with Business Leaders over the Sustainable Packaging Event. I know this is a blow for the Embassy team. Please let me know if there is anything Jane or I can do to help with damage control.
6. Administrator welcomes meeting with Bishop Sorondo and understands if tour of Sistine Chapel Air Filtration System has to fall off schedule.
7. In Bologna, we hope to schedule bilateral meetings with Germany, EU, and France in the 5:15pm – 6:40pm timeframe on Saturday.
8. There is a 50/50 chance that the White House meeting involving the Administrator on Monday, June 12th will be cancelled. So, we are planning as if the Administrator can stay through most of the G-7, with Plan B having him come home on Sunday, June 11th if necessary. It is easier to cancel rooms, etc. than to add them on later.
9. We will need to advance all the Bologna events as if the Administrator is staying the entire time, so we will need to add the banquet hall back into the Advance schedule.
10. The Administrator will depart Bologna by car at noon to Milan. He plans to catch Delta #1045 (operated by Alitalia) at 3:25pm from Milan to JFK. He will be accompanied by security Ex. 7(c). In the best case scenario, he will depart on Monday, June 12th. If he has to be back early, he will depart the same way on Sunday, June 11th.
11. Everyone else on the delegation will depart Italy directly from Bologna. Nobody else will go through Milan.
12. Hupp and Chmielewski expect to depart Bologna the day following the Administrator.
13. Kasman and Greenwalt expect to depart Bologna the same day as the Administrator.
14. Nobody on the delegation will return through Rome, so we can cancel the hotel reservations that we had there on June 12th.
15. The rest of the delegation (Nishida, Dravis, Gunasekara, Ferguson, Finman) will stay through the G-7 and depart Bologna on June 13th.
16. Kevin and Millan will send you the rest of the signed hotel forms you appear to be missing for the hotels in Bologna.

This is the best information that I have at close of business on Wednesday. We expect to confirm flight information with you tomorrow. Let me know if we can clarify anything else.

Thanks, Mark
